

FIRM FACTS

Offit Kurman is an Am Law 200 full-service law firm advising businesses, entrepreneurs, high-net-worth individuals, and families. Our attorneys help clients enhance and protect business value and personal wealth with innovative, cost-efficient legal solutions aligned to their goals. We stand out by offering sophisticated, high-quality, and wide-ranging legal services, supported by an entrepreneurial structure that fosters collaboration and innovation.

The firm represents privately held companies, family offices, corporations, and individuals at every stage, from formation and growth to transactions, disputes, and succession planning. Our 30-plus practice areas allow us to take a multidisciplinary approach to provide corporate, litigation, labor and employment, real estate, intellectual property, and private client services delivering effective and cost-efficient solutions. Clients rely on us for clear guidance, responsive service, and results that reflect real business priorities.

With offices across 12 states and the District of Columbia, Offit Kurman offers national reach with strong local market knowledge. With a legacy of over three decades, we have built lasting client relationships by combining legal skills with a business-minded approach that delivers consistent value throughout our clients' personal and business journeys.

CLIENT PROFILE

Privately held business owners, executives, and buyers and sellers of privately held companies requiring counsel on business operations, governance, mergers and acquisitions, succession and exit planning, contract negotiation, regulatory compliance, risk management, and intellectual property protection.

High-net-worth individuals, families, public figures, and celebrities seeking coordinated, discreet legal strategies for asset protection, family matters, sensitive reputational issues, and succession planning.

Entrepreneurs needing pragmatic, growth-focused legal counsel for entity formation, capital raising, contracts, regulatory compliance, risk management, intellectual property protection, and exit planning.

Institutions and publicly traded companies engaging targeted legal counsel and strategic direction.

Family offices seeking discreet, integrated legal services for multi-generational wealth management, governance, and succession planning.

National and multi-state businesses retaining reliable local counsel with regional market knowledge.

Nonprofit organizations needing guidance on formation, governance, compliance, fundraising, and operations.
