98 Offit Kurman Attorneys Recognized in Best Lawyers in America and Ones to Watch Lists

August 21, 2025

Offit Kurman is pleased to announce that 83 of the firm's attorneys were recognized in the 2026 edition of The Best Lawyers in America®. In addition, 15 attorneys were recognized in the 2026 edition of Best Lawyers: Ones to Watch® in America, and two attorneys were named "Lawyer of the Year."

"We are proud to see so many of our attorneys recognized once again by Best Lawyers in America®," said Tim Lynch, president of Offit Kurman. "These honors reflect the strength of our firmwide talent and the trust our clients place in us to handle their most important matters across a wide range of practices and industries."

Anthony Potter was selected as "Lawyer of the Year" for his work in Construction Law. **Robert McNeill** was also selected as "Lawyer of the Year" for his work in Insurance Law, as well as Litigation: Real Estate. "Lawyer of the Year" honors are awarded annually to only one lawyer per practice area in each region with extremely high overall feedback from their peers, making it an exceptional distinction.

The Offit Kurman lawyers listed are a diverse group of individuals whose practices span various legal service areas, including family law, bankruptcy, insurance, real estate, education law, estates and trusts, business organizations and commercial litigation. Many of the attorneys recognized this year have appeared on the list for consecutive years.

Best Lawyers recognitions are compiled based on an exhaustive Purely Peer Review® evaluation. More than 184,000 industry-leading lawyers are eligible to vote (from around the world). Best Lawyers received more than 25.8 million evaluations on the legal abilities of other lawyers based on their specific practice areas. Attorneys in the *Best Lawyers: Ones to Watch*® category are extraordinary lawyers who have been in private practice for less than 10 years in the United States.

Below are links to these attorneys' biographies, along with their Best Lawyers practice areas and the first year included on the list.
