

Adapting to Changes in a New Presidential Era

January 28, 2025

By Russell B. Berger and Sarah M. Sawyer

In this week's episode of OK at Work, attorneys Sarah Sawyer and Russell Berger from Offit Kurman discuss the legal implications following the recent inauguration. They break down the roles of various branches of government, the impact of executive orders, and what businesses should consider amidst the barrage of headlines. Emphasizing caution over reactionary measures, they advise companies to analyze laws and understand the positions of federal agencies and courts before making decisions. Additionally, they highlight the importance of considering state laws and staying informed about changes in agency priorities.
