

Meet Andy Schindling

January 14, 2026

By Jim Ries

In this episode of 'Java with Jim', Jim Ries from Offit Kurman interviews Andy Schindling, Founder and CEO of TCP Youth Empowerment. Andy shares the organization's mission to inspire and equip underserved youth in Northern Anne Arundel County. Highlights include details on their extensive programs spanning the school year and summer, their focus on character, confidence, and emotional intelligence, and the impactful projects led by middle schoolers to improve their community. Andy also discusses upcoming initiatives, his background, and the personal experiences that drive his passion for youth empowerment.
