### **Anthony Potter to Serve as Panelist at the 43rd Annual Fall Seminar Panel “Recognizing Time Impacts and Claim Avoidance”**

November 8, 2021

Offit Kurman Principal and Chair of the Construction Practice Group Anthony Potter will be speaking at the 43rd Annual Fall Seminar Panel Discussion “Recognizing Time Impacts and Claim Avoidance” on Thursday, November 18th, 2021, hosted by Associated Pennsylvania Constructors. The panelists will discuss frequently disputed matters as well as the process and methods for resolution, including proper notice, the differences between delay and disruption claims, plus issues that arise in documenting and quantifying the claims.
