Attorney Roslyn Soudry Featured in NBC News: Insights on Jennifer Lopez and Ben Affleck's Divorce Without a Prenup

August 22, 2024

Roslyn Soudry, a principal attorney in Offit Kurman's Matrimonial and Family Law Practice Group, was quoted in the NBC News report, "Jennifer Lopez and Ben Affleck divorcing without prenup to guide them could be complicated."

After two years of marriage, Jennifer Lopez has reportedly filed for divorce from Ben Affleck, and according to press reports, the couple does not have a prenuptial agreement.

Soudry noted the presumed unexpected absence of a prenup, as reported by the media, expressing that she would have expected their business managers, accountants, and attorneys to have strongly recommended one.

Given the lack of a prenuptial agreement, per the press reports, Soudry believes that significant disputes over assets accumulated during the marriage are unlikely. "Given that it's only a two-year marriage, they're likely close to reaching a settlement," Soudry commented.
