

Eviction Essentials and Lease Management

May 8, 2025

By Anders Sleight and Niall McMillan

In this episode of Litigators Lounge, hosts Anders Sleight and Niall McMillan discuss the current challenges in the commercial real estate market. They explore essential steps for landlords and property managers to protect themselves, such as using notice provisions, pursuing eviction proceedings, and arranging for a surrender of possession. The importance of personal guarantors and legal considerations related to cannabis dispensaries are also discussed. Tune in for critical insights to navigate these turbulent times in commercial real estate.
