Fara Rodriguez Included in Spear's Family Law Indices 2026 as a Recommended U.S. Family Lawyer

June 24, 2026

Offit Kurman is pleased to announce that principal [Fara Rodriguez](#) has been selected for inclusion in the Spear's Family Law Indices 2026 as a Recommended U.S. Family Lawyer.

The Spear's Family Law Indices recognize leading professionals who advise high-net-worth and ultra-high-net-worth individuals and families across three core disciplines: family lawyers, divorce consultancy and support services, and family law barristers.

Inclusion in the indices is merit-based and curated by the Spear's Research Unit. There is no fee to be listed, and rankings are not influenced by commercial considerations. Each year, the research team reassesses and updates its rankings through a comprehensive process that includes reviewing submissions, gathering nominations, conducting peer reviews, analyzing third-party data, and obtaining references and recommendations. The process also includes outreach to industry professionals and hundreds of interviews to evaluate the leading advisers in each sector.
