

## Keeping Up with Exemption Threshold Regulations

March 25, 2025

By Russell B. Berger and Sarah M. Sawyer

---

Join attorneys Sarah Sawyer and Russell Berger from Offit Kurman on this week's episode of OK at Work as they delve into the intricacies of the salary basis test for overtime exemptions under the FLSA. They discuss the current federal requirements, clarify the confusion around recent changes and litigation, and offer insights on how to navigate this evolving legal landscape. Learn about the current salary threshold, potential steps for compliance, and the limitations of relying on online information for legal guidance.
