George W. Bodenger Featured in Law360 for Leadership in Offit Kurman's Healthcare Law Practice

January 31, 2025

Offit Kurman attorneys George W. Bodenger has been featured in Law360 Pulse following his arrival at the firm as principal and chair of the healthcare law practice. The article highlights George's transition from running his own firm for nearly a decade to leading Offit Kurman's newly established healthcare practice.

In Law360 Pulse, George discussed his decision to join Offit Kurman, noting that the firm's depth of resources and collaborative environment align with his vision for expanding the healthcare practice. With previous leadership experience as chair of a healthcare practice at a national law firm, he aims to grow Offit Kurman's presence in the industry while continuing to serve clients with a comprehensive approach to healthcare law.
