

How to Handle Employee Misconduct When It Impacts Your Business

September 23, 2025

By Russell B. Berger and Sarah M. Sawyer

Join Sarah Sawyer and Russell Berger, attorneys at Offit Kurman, in this week's episode of OK at Work, as they discuss the challenges employers face when employees engage in misconduct that harms the business. Learn about the legal options available for dealing with issues ranging from negligence and embezzlement to reputational harm. Sarah and Russell provide insights on insurance coverage, employment actions, and proactive measures employers can take to mitigate ongoing damage caused by rogue employees.
