

Handling References and Referrals While Safeguarding Your Business

June 10, 2025

By Russell B. Berger and Sarah M. Sawyer

In this episode of OK at Work, attorneys Sarah Sawyer and Russell Berger discuss important considerations for employers regarding employee references and referrals. Businesses need a centralized response system and a standardized policy for neutral references. Learn what the potential legal risks are associated with offering detailed evaluations. They also touch on how to handle references in severance agreements and the importance of remaining neutral to avoid complications. Join Sarah and Russell as they go over how to practically handle reference requests effectively and safely.
