

Meet Justin Kress

January 28, 2026

By Jim Ries

In this episode of 'Java with Jim,' Jim Ries sits down with Justin Kress, CEO of Just-In Home Care. Justin shares the inspiring story of how he started the company, which provides essential in-home care services for seniors in Maryland. Learn about the unique services they offer, the rapid growth of the company, and Justin's exciting future plans, including expanding operations to Georgia. Justin also opens up about his entrepreneurial spirit, past ambitions, and the role of a business coach in guiding his company towards a corporate structure. Don't miss Justin's fascinating background and his vision to keep seniors happy and healthy at home.
