Offit Kurman Attorney Kimberly C. Lau Quoted in Super Lawyers Magazine Feature on First Amendment Rights on Campus

November 12, 2025

Offit Kurman is pleased to announce that attorney **Kimberly C. Lau** is quoted in the article *"Not Absolute: Exploring the Limits of First Amendment Rights on Campus,"* which will appear in an upcoming Super Lawyers® Magazine insert of The New York Times.

The feature examines how courts and colleges navigate the balance between freedom of expression and institutional responsibility in higher education. Kimberly, a nationally recognized Title IX attorney and Chair of Offit Kurman's Title IX and Education Practice Group, shares her perspective on the evolving legal landscape surrounding students' speech rights and due process protections.

Additionally, a digital version of the article will also be available and will include a link to Kimberly's Super Lawyers® profile.
