Marc Misthal Published in The Trademark Lawyer Magazine on BIRDIE Act

May 2, 2024

Intellectual Property Principal [Marc Misthal](#) has been published in *The Trademark Lawyer Magazine* with the article titled, "From fairways to copyright claims: understanding the BIRDIE Act." The article discusses the bipartisan-supported BIRDIE Act, aiming to extend copyright protection to golf course designs due to concerns over digital infringement, but also raises questions about its implications, including exclusion of mini golf courses and broader copyright expansion.
