Mark Wendaur and Faith Miros will speak at Home Delivery World USA Conference 2024

May 28, 2024

Offit Kurman Business Law and Transaction Counsel, [Mark Wendaur](#), and Real Estate Principal Attorney, [Faith Miros](#), will speak at Home Delivery World USA Conference 2024, a conference focused on the last mile logistics industry, on June 5th and 6th in Philadelphia, PA.

Mark and Faith will be hosting a panel on June 6 titled, "Legal Issues Facing the Industry." Companies utilizing last mile delivery or operating shipping fulfillment centers/3PLs will hear discussions on recent changes in the legal landscape affecting their business. The panel aims to provide attendees with crucial insights and guidance on these legal developments.

Home Delivery World 2024 covers a broad spectrum of topics essential for the industry, from fleet and route optimization to reverse logistics, grocery delivery, parcel spending, and white glove services.
