Matthew Karmel Named as a Contributing Editor of BioCycle

March 1, 2023

Offit Kurman, Principal and Chair of the Environmental and Sustainability Practice Group [Matthew Karmel](#), has been named a contributing editor of *BioCycle*. *BioCycle*, known as “The Organics Recycling Authority,” is an online resource and industry hub for information, policy and regulation updates, and education regarding recycling and composting. Matthew has written for the online publication on numerous occasions to discuss areas of interest and legal considerations, which lead to him being a contributing editor.
