Matthew Karmel Quoted in NJBIZ on New Recycling Bill

March 24, 2023

Offit Kurman Principal and Chair of the Environmental and Sustainability Practice Group [Matthew Karmel](#) was quoted in an *NJBIZ* article titled, “‘Complicated’ recycling bill faces uphill battle.” The article breaks down the newly introduced Senate Bill 426/Assembly Bill 111 that would require producers and manufacturers that use package materials to develop a stewardship plan.

Matthew provided extensive insight and the full article can be found [here](#).
