Matthew Karmel Quoted in WasteDive on Environmental Justice

March 6, 2023

Offit Kurman Principal and Chair of the Environmental and Sustainability Practice Group [Matthew Karmel](#) was quoted in a [February 22, 2023 article](#) in *WasteDive* regarding environmental justice, where he classified two issues when it comes to defining the communities: terminology and context, and how they match up with one another.

"The lack of standards will make it hard for there to be industry 'best practices'," said Matthew Karmel.
