

Meet Dr. Josh Funk

December 27, 2023

By Jim Ries and Dr. Josh Funk

Meet Dr. Josh Funk, Founder and CEO of Rehab 2 Perform. Rehab 2 Perform is not your typical physical therapy company. Rehab 2 Perform is more like a fitness center and athletic training room than a doctor's office and offers a variety of equipment, turf, and other features to get you moving quickly and performing at your peak.

Dr. Funk is proud of the staff retention over the years.

Dr. Funk looks forward to upgrading the technology they use to support their clients.
