

Meet Farmer Chippy

April 26, 2023

By Jim Ries and Farmer Chippy

Meet Farmer Chippy, Creator of Plantation Park Heights Urban Farm. Plantation Park Heights Urban Farm spreads love, supports the community, and brings healthy food to the city of Baltimore.

Farmer Chippy is proud to see the development of the children who have moved on from urban agriculture to their future goals.

Farmer Chippy looks forward to continuing to spread the word about urban agriculture and using the farm as a platform.
