

Meet John Dinkel

May 18, 2022

By Jim Ries and John Dinkel

Meet John Dinkel, Founder and CEO of Dinkel Business Development. Dinkel Business Development helps businesses grow by creating a business development plan that engages prospects and partners using a proven system of outbound and relationship marketing lead generation. They work with clients to give them a specific strategy and creative ideas that will help fill sales pipeline and engage prospects and partners.

John Dinkel is proud of Dinkel Business Development's clients. They work with a good group of people. They are very diverse and give the opportunity to be creative.

Dinkel Business Development looks forward to taking the brand refresh on the road and use this to grow their client base. John is also looking to expand on his podcast.
