

Meet Julie Lewis

March 4, 2026

By Jim Ries

Jim Ries interviews Julie Lewis of Lewis Woodwork, a family business in Columbia, Maryland that hand-makes and engraves locally sourced maple, cherry, and walnut culinary boards for client gifts. Julie explains how businesses use their branded, personalized boards, highlights their all-natural oil, beeswax finish and board butter. Julie shares plans to expand into custom tables and butcher block/countertop projects in 2026.
