

Meet Mark McClatchey

March 2, 2022

By Jim Ries and Mark McClatchey

In this episode of Java with Jim, host Jim Ries chats with Mark McClatchey of PayTech Trust. They discuss what sets PayTech Trust apart in the credit card processing and payroll industries, including their focus on technology integration and customer education. Mark shares exciting developments and partnerships for the upcoming six months, as well as a surprising personal tidbit about his past career as a standup comic. Tune in to learn how PayTech Trust is innovating and making a substantial impact in the market.
