

Meet Marney Lumpkin

May 4, 2022

By Jim Ries and Marney Lumpkin

Meet Marney Lumpkin, President and Co-Owner of Strategic Management & Logistics. Strategic Management & Logistics is a virtual assistance company that delivers outstanding results across three support areas: Administrative, HR Consulting and Event & Meeting Support.

Marney Lumpkin is proud of the company culture they have created because it also impacts their clients. They are open, friendly and approachable.

Strategic Management & Logistics looks forward to deepening their support to their current clients, bringing on additional clients, adding more services and being a subcontractor on a Federal contract.
