

Meet Michael Spinosa

April 20, 2022

By Jim Ries and Michael Spinosa

Meet Michael Spinosa, CEO of Shield 7 Consulting. Shield 7 Consulting operates as a Veteran Owned consulting firm and VAR based in Maryland specializing in Computer & Network Security with divisions dedicated to Penetration Testing and Security Assessments, System Integration, and Malware/Forensics.

Michael Spinosa is most proud that the founders chose Michael to be apart of the team to take the company to the next level and leverage all the company's talents.

Shield 7 Consulting looks forward to getting the word out on the company's hidden treasure and expanding their network. They will be rebranding to make sure people know the message and have the digital presents reflect the capabilities of the organization.
