

Meet Pat Isaac

January 7, 2026

By Jim Ries and Pat Isaac

Join Jim Ries, in this episode of Java with Jim as he engages in an insightful conversation with Pat Isaac, CEO of Capital Services. Pat discusses the unique approach of Capital Services in solving root problems in HR, employee benefits, and executive compensation. She also shares inspirational stories and future plans for the company, along with a fun fact about her past as a lead singer in a rock band. Tune in to learn what sets Capital Services apart in the industry and how they're making a real difference in the lives of employees.
