Meet Tina Miller, Co-Founder and Chief Positivity Officer at bekindsign.com. Bekindsign.com initiative is part of the Infinite Love Project where we encourage acts of kindness, through words, deeds and art, to raise the vibration of the community.

Tina is proud of the way they think outside of the box on how to get their message out to the Maryland area.

Tina looks forward to their community of kindness workshop, which will be integrated into summer camps as well as workshops for college freshman.
