Offit Kurman Advises Finer Days Healthcare, LLC in Acquisition of Catawba Valley Medical Services

August 28, 2024

August 28, 2024 – Offit Kurman, led by business attorneys Michael Mercurio and Paige Vankooten, represented Finer Days Healthcare, LLC in acquiring the stock of Advanced Business Concepts Incorporated, doing business as Catawba Valley Medical Services. Offit Kurman's well-equipped business transactions team played a crucial role in navigating the complexities of the deal, ensuring a smooth transition and satisfying outcome for the client.

"Offit Kurman provided me with two strong partners who were able to adapt rapidly to any item which came up during the completion of the acquisition. I appreciate their time and hard work and I am excited to continue to work with Mike Mercurio and Paige Vankooten on future opportunities," said Henry DeRolf, founding director of Finer Days Healthcare.

Finer Days Healthcare is a national mergers & acquisitions company based in Lexington, Kentucky that focuses on business operations, consolidation, financial optimization, and acquisitions for home healthcare agencies like Catawba Valley Medical Services. This business deal positions Finer Days Healthcare to extend its reach and impact in the industry while further solidifying the firm's reputation as a leader in legal services for business acquisitions.
