Offit Kurman Named Among Bloomberg Law's 2025 Leading Law Firms

July 8, 2025

Columbia, MD, (July 8, 2025) - Offit Kurman is proud to be recognized by Bloomberg Law in its inaugural Leading Law Firms, which identifies firms making an impact within their field of practice.

This prestigious recognition highlights firms across the U.S. that have excelled in various categories, including financial strength, talent, growth, and business and innovation, setting a high bar for excellence in legal services.

Bloomberg Law gathered data on participating law firms through a questionnaire. Each category comprises multiple survey questions, which are aggregated into a normalized score for 2025 and weighted to determine the final score.

"Bloomberg Law is proud to honor trailblazing organizations in our debut of Leading Law Firms," said Cesca Antonelli, editor-in-chief, Bloomberg Industry Group. "This inaugural group demonstrates the importance of embracing data and technology to spark innovation in their field."

"Being recognized on a national stage is a reflection of the strength of our team and the trust our clients place in us," said Timothy Lynch, President of Offit Kurman. "This honor reinforces our commitment to purposeful growth and to building a firm that attracts entrepreneurial attorneys who are passionate about delivering exceptional client service."
