Offit Kurman Hosts The Employment Review on Sick Leave During a Global Pandemic

May 15, 2021

On May 26, 2021 Offit Kurman employment attorneys [Neil A. Morris](#) and [Gabriel Celij](#) will host a webinar title, "*Understanding Sick Leave During a Global Pandemic*"

The webinar will be aimed at providing a comprehensive overview of the key changes to leave requirements, best practices, avoiding common misconceptions and pitfalls, and the interplay between these changes and the FMLA, ADA, state and local laws, and current leave policies that are already in existence. As laws are hastily enacted, we have had many questions arise over when and how a certain rule is to be applied. This has prompted guidance and regulations that are continuing to change and be updated; employers are wise to stay up-to-date on how these changes have impacted their workforce and, specifically, the administration of their leave policies.
