Offit Kurman Mourns the Passing of Robert Graham

September 20, 2024

It is with a heavy heart that we announce the unexpected passing of our esteemed colleague, principal attorney Robert A. Graham, who passed away on September 17, 2024. Robert was based in the firm's Bethesda office. He had a distinguished legal career spanning nearly three decades.

Robert joined the firm in 2022 and was an integral member of Offit Kurman's Commercial Litigation Practice Group. Throughout his career, Robert's extensive litigation experience included trial, appellate and administrative representation. Before entering private practice, he served as a judicial clerk to the Hon. Eugene E. Siler of the U.S. Court of Appeals for the Sixth Circuit.

Please keep Robert and his family in your thoughts. He will be missed!
