Offit Kurman's Candace Dellacona Explores Legal Strategies for the Sandwich Generation in New York Law Journal

January 24, 2025

Offit Kurman principal Candace Dellacona addresses the unique challenges faced by individuals caring for aging parents while supporting their children in her *New York Law Journal* article, "*Caught In the In Between: A Legal Roadmap for the Sandwich Generation*." Candace provides actionable legal strategies, including the importance of powers of attorney, health care directives, and trusts, to help navigate this demanding stage of life.
