Offit Kurman's M&A Group Represents Medisolv on strategic investment by BVP Forge

June 15, 2023

Offit Kurman, led by business attorneys [Glenn Solomon](#) and [Paige Vankooten](#), is pleased to announce that it advised its client Medisolv on the completion of a strategic investment in the company by BVP Forge, a fund of Bessemer Venture Partners.

Medisolv is a leader in healthcare quality data measurement and reporting solutions. The Offit Kurman team was proud to assist Medisolv, whose software solutions sit at the heart of the transition towards value-based care delivery and payment models in the health care industry.
