

OK at Work: Mask Guidance Updates

May 18, 2021

By Russell B. Berger and Sarah M. Sawyer

After the whirlwind of mask guidance last week, in this week's episode of OK at Work, [Sarah Sawyer](#) and [Russell Berger](#) focus on what comes next. Since recording this episode, we have already seen states and localities adjust their mask mandates and we are certain that there will be more changes coming in short order. Given the fast-changing landscape, employers need to stay on top of all of the modifications coming their way. Listen in to learn more.
