

OK at Work: New York City's Regulation of Generative AI

November 28, 2023

By Russell B. Berger and Sarah M. Sawyer

On this week's OK at Work, [Sarah Sawyer](#) and [Russell Berger](#) discuss New York City's regulation of generative AI in the context of employment decision-making and the obligation it places on employers that utilize these tools. In addition to this specific regulation, there are a number of laws that prohibit discrimination in the workplace that should cause employers to think about how they "manage" their AI.
