Offit Kurman CEO Robert Skinner Recognized in Baltimore Business Journal's 2025 PowerShift List

March 21, 2025

Baltimore, MD – Offit Kurman proudly announces that Chief Executive Officer Robert Skinner has been recognized in the Baltimore Business Journal's "PowerShift" list, an annual feature spotlighting top new executives expected to impact the local business community significantly.

With an extensive technology, project management, and law firm operations background, Robert has played a key role in Offit Kurman's growth and operational success. Starting as an IT manager, he progressed through leadership roles, including chief administrative officer and chief operating officer, before assuming the CEO position. His results-driven leadership has been instrumental in driving firm expansion and operational excellence.

"I strive for a collaborative and transformative leadership style," said Rob in his "PowerShift" profile. "Fostering trust in leadership and buy-in to the firm's vision through sincere relationships and a one-team approach is critical to our success."
