

Robert Skinner

Chief Executive Officer

rskinner@offitkurman.com

Robert Skinner serves as the Chief Executive Officer at Offit Kurman, bringing extensive leadership experience in technology, project management and law firm operations. His expertise bridges the gap between legal services and business operations, ensuring success and efficiency by maximizing the impact of people, process and technology across the organization. Starting his career as IT Manager, Robert progressed through the organization as Chief Administrative Officer and Chief Operating Officer before assuming the CEO title. Recognized for implementing transformative projects and utilizing a results-based approach to leadership, he focuses on driving firm growth while promoting operational excellence.
