

Season 3 Episode 7

October 13, 2023

By Tracy Buck

Episode 7 of Season 3 of Conversations with Leading Women in Business features the Principal and Founder of Chatham Lab, LLC, Jenny Smith. Jenny is an experienced executive who has worked with more than 70 global brands on strategies, initiatives, and partnerships to drive social, economic, and cultural change in the US and around the world.

Theodora Stringham, who is featured in this podcast, is no longer affiliated with Offit Kurman.
