

Staying Ahead with Federal Government's Impact on Business

March 18, 2025

By Russell B. Berger and Sarah M. Sawyer

Join Sarah Sawyer and Russell Berger, attorneys at Offit Kurman, as they discuss the significant impact of recent federal government changes on businesses, especially those engaging in government contracts and federal purchasing. They explore potential economic effects, the importance of adapting business strategies, and the likelihood of contract disputes arising from rapid executive orders. Tune in for key insights to help business owners stay prepared and responsive in a rapidly evolving landscape.
