Stephanie Lehman Published in New Jersey Family on Divorce Process with ADHD Children

September 27, 2023

Stephanie Lehman has been published in *New Jersey Family* with the article titled, “5 Ways to Make the Divorce Process Easier On Your Child With ADHD.” Stephanie explores the unique challenges faced by children with ADHD (Attention Deficit and Hyperactivity Disorder) whose parents are going through divorce. It highlights the emotional and academic struggles these children may experience, emphasizing the importance of parents working together to prioritize their child's best interests.
