

Strategies for Business Resilience in Uncertain Times

May 20, 2025

By Russell B. Berger and Sarah M. Sawyer

In this week's episode of OK at Work, Sarah Sawyer and Russell Berger from Offit Kurman discuss the impact of current economic uncertainty on business transactions. They share insights on how businesses can protect themselves, with a focus on tightening contracts, securing interests, and creative financing strategies. Whether you're buying or selling a business, this episode offers practical advice on minimizing risk and making informed decisions in a volatile market.
