

The Subpoena Playbook

April 8, 2025

By Niall McMillan and Anders Sleight

Join Niall McMillan and Anders Sleight from Offit Kurman as they delve into the complexities of handling subpoenas in commercial litigation. They discuss the importance of reviewing subpoenas carefully, understanding their scope, and the various options available for responding—whether it's raising objections, filing motions, or simply complying. They also stress the need to consult with legal counsel to navigate these critical aspects effectively.
