

Understanding Discovery in Commercial Litigation

June 5, 2025

By Niall McMillan and Anders Sleight

Join Niall McMillan and Anders Sleight from Offit Kurman in this episode of Litigators Lounge as they delve into the discovery process in commercial litigation. They discuss various tools such as interrogatories, requests for production of documents, and depositions, explaining their importance and how they are utilized to gather evidence for a case. The episode also covers the implications of failing to comply with discovery requests and the role of subpoenas in obtaining information from third parties. For more insights on navigating the intricacies of commercial litigation, tune in now.
