Voytek Jackowski to Present “Roadmap to Ethical Issues in Construction: A Primer for Design Professionals”

April 21, 2021

Offit Kurman Commercial Litigation Principal Wojciech “Voytek” Jackowski has been published on Aepronet.org with the article titled “Justice Going Virtual – An Opportunity for Innovation from the New York Perspective.” In the article, Voytek discusses the challenges faced by legal professionals in the design industry due to delayed justice during the pandemic, highlighting the unexpected opportunity to modernize the legal system through virtual proceedings, live-streamed hearings, and online dispute resolution.
