

Ways Organizations Can Pursue Legal Collections

March 5, 2025

By Anders Sleight and Niall McMillan

Join Anders Sleight and Niall McMillan from Offit Kurman in this episode of the Litigators Lounge as they delve into the intricacies of legal collections. Discover essential tips for pursuing past due accounts, enforcing judgments, and securing obligations in commercial contracts. Learn the importance of thorough documentation, strong contracts, and personal guarantees to ensure successful collection. Whether you're dealing with account receivables or looking for advice on judgment recovery, this episode provides valuable insights for effective legal collections.
