

Your Guide to Dealing with Subpoenas Effectively

June 3, 2025

By Russell B. Berger and Sarah M. Sawyer

In this week's episode of OK at Work, attorneys Sarah Sawyer and Russell Berger from Offit Kurman delve into the topic of subpoenas. They discuss what a subpoena is, who can receive one, and the proper steps to take when served. The episode highlights the importance of addressing subpoenas promptly, understanding what documents and testimonies are required, and the potential risks involved. They also explain the differences between being served with a subpoena vs. a lawsuit, and the significance of being prepared and precise when testifying under oath. This informative session is essential for anyone looking to navigate the complexities of legal subpoenas effectively.
